Custom Cut Policy

The custom cut option is for our material that is longer than 8 ft. in length.

We can straight cut our lengths to less than 8 feet and ship UPS. Please indicate the desired quantity and length of each sku shortened to 8 ft. or less in the special instructions box on the checkout page and we will quote.

Notes:

- Straight 90° cuts only.
- Ends will be clean saw cut, not deburred and unfinished.
- We will send all remaining material (cut offs).
- Standard cutting tolerance is $\pm .125$ " (1/8").
- Due to insurance regulations, we are not permitted to custom cut material to less than 6".

Any custom cut material is not returnable.
